My name is Juliana Smart, and this year I am a Junior at Brawley Union High School in California. As a graduation requirement, I am in charge of completing a Junior Project and my topic is on the F.C.C. As part of my project I am required to have an interview, and I would very much appreciate if you could answer the following questions to the best of your ability. Thank You very much

1. How does a person get hired to work for the F.C.C.?
2. What specific punishments are possible for acts of indecency on television today?
3. Are the F.C.C.'s laws going to become stricter because of recent problems such as the Super bowl fiasco?
4. Is it a good idea to have a 5-Second delay on all future live programs to avoid indecency problems?
5. How does the F.C.C. look into public complaints? To what extent does the F.C.C. bow to public protest?
